For out of an in - fant's mouth ap - pear God's pow - er and might brought near;
Come wor - ship Him on His ho - ly hill, whose wit - ness is shin - ing still!

From north to south, all tell the de - cree; with trem - bling in awe and joy ex - claim!
with mul - ti - tudes of heav - en - ly host re - sound - ing a sev - en - fold "a - men!"
