1. I know that my faith is not my faith a - lone; as sib - lings in Christ we shall live,
2. What prof - its I have I will glad - ly pro - vide for min - is - try's work to be done,
3. To those who have fal - tered, or fal - len, or failed, for - give - ness for all I ex - tend,
4. And e - ven when called on to walk diff - erent roads, we all share an ul - ti - mate goal

to rest in com - mu - ni - ty's spir - it - ual home and bol - ster what oth - ers can give.
as true wealth is found in re - new - al of lives to wit - ness for dec - ades to come.
to fol - low the way of my Sav - ior and Lord, en - cour - ag - er, lead - er, and friend.
to spread forth the gos - pel, with each one be - stowed their own com - ple - men - ta - ry role.
