

# Imperfect Child of Perfect God

Text: N. Fielding Burns, 2010

Tune: N. Fielding Burns, 2010

1. Im - per - fect child of per - fect God, I'm guid - ed from a - bove;  
2. Though I have ears to hear the Word, it's on - ly through God's grace  
3. How strange that I should stand to gain from my dear sav - ior's death:  
4. And as I dai - ly rise with Christ and die with Him the same,

I glad - ly yield my cold, hard, heart to His warm, pa - tient love.  
my fool - ish thoughts and stum - bling feet don't slow me in the race.  
a schem - er, sin - ner, wick - ed me giv'n new life by His breath!  
I count my fame and wealth but loss for naught but Christ is gain!
