1. Fa - ther al-might - y made emp - ty in flesh, Je - su, Em-man - u - el, Christ-us,  
2. Born Prince of Peace in a loud, hec-tic world, few would ac-knowl-edge or no - tice;  
3. Je - sus, your pres-ence is all we re-quire, bright, shin-ing Light for our dark - ness.

we praise you, cre - a - tor, born con-queror of death, God yet be - fore us, now with us.  
Lord, aid us, your whis-pers of grace to be heard, com-fort and calm and sus-tain us.  
Come, guide us with pil - lars of cloud and of fire, Spir - it, with - in and a - mong us.
