Tune: N. Fielding Burns, 2017

1. Lord, I want to re - ceive your gift of grace; my wealth is of no gain.
2. Though de - spised by my peers, you know my name and call me to your side;
3. To re - store what my sin - ful acts have cost to all those wronged by me,
4. Lord, to seek and to save the lost you came, sal - va - tion's prom - ise shown;

May your rich - es in spir - it nev - er cease and bless - ings nev - er wane.
may your spir - it and love for - ev - er in my home and heart a - bide!
may my love be as yours, a four - fold love of gen - er - os - i - ty.
may your life and your ho - ly mis - sion here through - out the world be known.
